

#### Health Department Note:

This subdivision is approved for individual onsite sewage systems in accordance with the provisions of The Code of Virginia and the Sewage Handling and Disposal Regulations (12 VAC 5-610-10 et seq.), the "Regulations".

This subdivision was submitted to the Health Department for review pursuant to Sec. 32.1-163.5 of the Code of Virginia which requires the Health Department to accept private soil evaluations and designs from an Authorized Onsite Soil Evaluator (AOSE) or a Professional Engineer working in consultation with an AOSE for residential development. The Department is not required to perform a field check of such evaluations. This subdivision was certified as being in compliance with the Board of Health's regulations by: AOSE NAME: Adam Herman, Cert. No. 1940001109, Tele. No. (757) 344-6270. This subdivision approval is issued in reliance upon that certification.

Pursuant to Sec. 360 of the Regulations this approval is not an assurance that Sewage Disposal System Construction Permits will be issued for any lot in the subdivision unless that lot is specifically identified as having an approved site for an onsite sewage disposal system, and unless all conditions and circumstances are present at the time of application for a permit as are present at the time of this approval. This subdivision may contain lots that do not have approved sites for onsite sewage

This subdivision approval is issued in reliance upon the certification that approved lots are suitable for "traditional systems", however actual designs may be different at the time construction permits are issued.
