 6. N. 16 1/2 W. 292.28 to stone on lower side
 to cor. in road with Hiden

These portions of the Lyon Tract and
 part, are all included in the survey of the Lyon Tract and
 this figure is a description of the same.
 This tract of land lies in the Parkton District, same City County Virginia
 adjoining the lands of the O. & N. Railway Company at Diascund
 Station and other points. Also the lands of Mr. Hockaday,
 Mr. P. W. Hiden, Mr. L. W. Collier, Robt. Lambulake, Walter Hazelwood
 & others. Surveyed by request of H. B. Walker April 1872 and found
 to contain 257.143 acres on the north side of the Railroad and 118.5 acres
 on the south side, including 20 acres claimed by some owners
 which making in the aggregate, 268.64 acres
 No portion of the Railroad property is included
 Bearings and distances along the margin of this
 tract are given according to the True Meridian to correspond
 with maps of the Railroad property. All other bearings are given according
 to the Magnetic Meridian.
 Wm. Chandler Surveyor
