COLONIAL WILLIAMSBURG, INC.

Notes:

Taylor's deed (D.B. 7, P.195) calls for his eastern line to be a branch of Halfway Creek which we interpret as Mean Low Water and have shown it as such; however, the actual points of Mean Low Water will change due to erosion and/or accretion.

The area between Mean Low Water and the center line of Tutter's Neck Branch of Halfway Creek from the north line to the south line of Taylor's property is 0.46 acre.
