

Note: All Telephone Poles Property of Chesapeake Potomac Tel. Co. of Virginia

All Power Poles Property of V.E.P.O. of Richmond, Virginia

Note: This project is planned for as a permanent part of the Interstate System. The cross-overs shown on these plans are temporary only. When service roads are constructed, a cross-over at each of the points where the main line separation structures are shown, may be closed. When the separation structures are built, all cross-overs are to be closed and no direct connection between the service roads and the main line alignment may exist, except through the interchanges.
